Mike's News

By Mike Sabo

Mike's busy organizing all those things a President must do but watch this space next month for exciting, presidential news.

Fun Raising:

Social Chair Jeff Johnston is looking for ideas for social events upon which to apply his considerable organizing and promoting abilities. Please contact him with your ideas and offers of assistance.

Installation Dinner—Huge Success

President Mike Sabo swore in his new court at the June 23 Installation Dinner hosted by Greenbriar Country Club. Bill Wiley assumed the role of Vice President with all its attendant powers and responsibilities. Hendrick Lesle stepped up as Secretary and Paul Shaver “checked” in as Treasurer. The food was tasty and plentiful. Fellowship and rounded bellies were the order of the day.

Word of the Month

Fard -

1. Venting of obnoxious gas
 2. Application of facial cosmetics
 3. Crossing small streams
 4. Clothing for nobility
 5. A type of car driven in South St. Louis
- Correct definition on page 2

Rotarian Business Highlight:

If your air conditioner is 12 years old, Ameren UE has partnered with ZIPF-AIR and St. Louis County to offer a \$850 rebate for replacing energy inefficient air conditioners. John Zipf says the money saved on electric bills along with the rebate, makes this deal a winner. But beware, the rebate is only good if the AC is replaced before it conks out. Go to [www. StLouisCountySAVES.com](http://www.StLouisCountySAVES.com) or call Rotarian John Zipf for details: 314-821-1200
