## Mike's News

By Mike Sabo

What is your Worth?

Upon honest reflection, we all come to realize that our real worth has little to do with how much money we make or accumulate. Money is but a quantitative measure of what society has agreed to pay us for our talents and labor. Some are more gifted in their ability to retain their earnings throughout their lifetime. I often marvel in successful, philanthropic people and their willingness to give back and share with others. I am amazed at the number of boards, charities and the time that these good folks give to many worthwhile organizations.

As Rotarians we have many choices in how we share our worth. We all have talents and resources to contribute to the effort of making this place called earth a better place to live. What we do with what we have, does make a difference - both internationally and locally. Whether it is working with the food pantry, drilling water wells, and ending polio we Rotarians can make a difference.

November is Rotary Foundation month and a great opportunity to recognize the needs of people all over the world. It has been said, "In life we are only worth what we are willing to share with others".

## Happy Hour

Tuesday, October 18 was another of Social Chair, Jeff Johnston's Fun Raisers. This time we ventured to McCormick & Schmick's for Happy Hour drink specials and half price hors d'oeuvres. Sreenu, Dave & Linda Patton, Mike & Marilyn Sabo, Tim & Beth Hampton, and Jim & Marilyn Smith all enjoyed the camaraderie and discount prices. Jim's son, Brendan, made a brief appearance perhaps to hang out with more seasoned citizens but most probably to pick up a World Series ticket that burned a hole in Dad's pocket. For those who missed it, there is yet another chance for Tuesday night fun. Don't miss Jeff's beer tasting adventure right in the heart of Kirkwood on Tuesday November 29.
