Rotarian Business Highlight:

Rotarian **Dave Patton** is celebrating his 39th year at Frank Patton's Interiors. Patton's, located in "the wedge" on Manchester Rd. just west of 270, has been around for over half a century. While you might know that Patton's has access to just about anything you may dream of in furniture and fabrics, their service lines are much more extensive. Floor coverings, window treatment, lighting, accessories, and artwork are all available. Come in and browse floor samples or use one of the talented Interior Designers to assist you in searching the world for the piece and price that fits your needs. Or check out their website:

Caitlin is a native of Kansas City. She has four siblings. A graduate of University of Missouri's School of Business in 2010, she moved to St. Louis to pursue a career in marketing with Stryker Orthopedics. She quickly joined several service organizations including the St. Louis Junior League, Urban Future, the Arthritis Foundation and most recently DesPeres Rotary.

Caitlin has also completed her 5th year as a Big Sister mentor to Kiona. Kiona is now 16 and aspires to be a professional basketball player. With Caitlin's guidance, Kiona is also working on a back up plan to attend medical school and to become a radiologist.

When not running about at work and serving the community, Caitlin runs –literally. She's even the logistics chair for this year's 5k Jingle Bell Run put on by the Arthritis Foundation.

In addition to being an avid Tigers fan, she also follows the KC Royals and Chiefs. Since KC fans are hard to come by in this town, Caitlin has learned to tolerate the Rams and Cardinals.

She's an avid reader and likes to just hang out with friends.

Cub Scout [Andrew Jenkins](#), son of Rotarian Kevin Jenkins collected bags of new and slightly used shoes from Rotarians grateful for an opportunity to clean out closets. The project, organized by Pack 621 of Ballwin Elementary was in support of the "Shoeman" charity. The "Shoeman" collects old shoes, hits them up with odor eaters, shoe polish and a power washer. Overseas they go for sale with the proceeds invested into 3rd world water wells. It's a win, win, win situation. Scout Jenkins led the pack collecting what the Pack Leader described as a "metric trunk load". Great work Andrew!!

[Rotarians fill table at Semper Fi Trivia Night](#)
Fran & Don McDaniel and Jim & Marilyn Smith assisted by contributions from Kurt Mungenast and Dave Patton cruised to an easy 32nd finish out of 50 tables while contributing to raising over \$11,000 for our wounded warriors.

[Dave Patton](#) collected 7 grocery bags filled with school supplies and \$270 from Des Peres Rotarians to help with the Circle of Concern's annual School Supplies Drive. The supplies help underprivileged kids fill their book bags with pens, pencils, notebooks, erasers and all those necessities of opening day.
